Overnight flight to France • Spend the night flying across the Atlantic.

Day 2 Paris

Arrival in Paris • Touch down in Paris, City of Light. After clearing customs, you are greeted by your EF Tour Director, who will remain with you throughout your stay.

Walking tour of Paris • Your walking tour of Paris centers around the Île de la Cité, considered the birthplace of Paris. This island surrounded entirely by the Seine has been inhabited since the 3rd century B.C. and was the political and religious center of France for centuries. Île de la Cité houses three of Paris' most important buildings: Notre Dame Cathedral; the Conciergerie, Paris' first prison; and St. Chapelle, the Gothic Catholic church.

Visit to Notre Dame Cathedral • Built between 1163 and 1361 over the remains of an ancient Roman temple, it was here that Napoleon crowned himself emperor in 1804. Victor Hugo once described the sculptured façade of Notre Dame as "a vast symphony in stone." However, had it not been for the creation of his famous hunchback, Quasimodo, the cathedral might never have returned to its former glory. Hugo's novel *The Hunchback of Notre Dame* helped inspire a 23-year restoration of the cathedral that began in 1841. Step inside to admire the stained-glass rose windows and seemingly weightless vaulted ceilings.

Day 3 Paris

Guided sightseeing of Paris • Discover the city on the Seine, beginning with the imposing Arc de Triomphe, commemorating Napoleon's Grande Armée. Take a drive down the elegant Champs-Élysées to the Place de la Concorde. Pass the Conciergerie, where prisoners of the Revolution spent their final days, and see Les Invalides, Louis XIV's grand retirement home for wounded soldiers. You'll also see the École Militaire, where Napoleon graduated to lieutenant and was told he'd go far if circumstances allowed. Next, make a photo stop at the Eiffel Tower to marvel at the 6,000-ton centerpiece for the 1889 World's Fair. You'll hear the story of how this impressive symbol of Paris was spared the wrecking ball in 1909. Pass the Opéra Garnier, where the famous Phantom of the Opera roamed, and marvel at Église de la Madeleine, designed as a temple of glory for Napoleon's army. Continue past the gardens of the Tuileries as you make your way to the Place Vendôme, a vast square surrounded by elegant 17th-century façades.

Optional excursion to Versailles • Join an optional half-day excursion to Versailles, the elaborate palace of Louis XIV. Here, the Sun King held court in the most lavish style imaginable. At one point, 1,000 nobles were attended by 4,000 servants inside the palace, while 15,000 soldiers and servants inhabited the annexes. Stroll through the elegantly landscaped gardens designed by André Le Nôtre, tour the State Apartments of the King himself, walk through the historic Hall of Mirrors, admire the ornate decor of the State Apartments of the Queen, and enjoy free time for lunch. (Please note: Because of the extreme popularity of Versailles, guided visits of the interior cannot be guaranteed during peak seasons. In this case, your group will hear a presentation from your guide

before entering the palace. Versailles is closed on Mondays. Participants must enroll in this excursion no later than 50 days prior to departure.)

Day 4 Paris • Night Train

Visit to the Louvre • Built to defend the city in the 13th century, the Louvre today safeguards one of the world's greatest art collections. Enter the museum through world-renowned architect I.M. Pei's glass pyramid, constructed in 1989. Inside, discover priceless antiquities from Asia, Greece and Rome. You'll also see precious objects from the Middle Ages and the Renaissance, as well as iconic European paintings such as the *Mona Lisa*.

Overnight train to Barcelona • Board an overnight train that takes you to Barcelona.

Day 5 Barcelona

Arrival in Barcelona • Arrive in Barcelona, Spain's second-largest city and the capital of Catalonia. Queen Isabella and King Ferdinand V received Columbus in Barcelona upon his return from the Americas in 1493. Barcelona played a prominent role in the overthrow of Spain's monarchy in 1931, and was also the last city in Spain to surrender to Franco in 1939.

Guided sightseeing of Barcelona • Your guided tour takes you past the controversial and still-unfinished La Sagrada Familia (the Church of the Holy Family), where you will make a photo stop. This masterpiece of twisting spires and colorful mosaics was designed by Gaudí, who estimated it would take 200 years to complete. You will also see some of Gaudí's other works during our panoramic bus tour of Paseo de Gracia, one of Spain's most cosmopolitan streets. Check out Plaza de Catalunya and Plaza España, a bustling six-street intersection that boasts the Magic Fountain of Montjuïc, a fountain that puts on a fabulous show of water, lights and music on the weekends. Then enjoy a marvelous harbor view from atop Montjuïc Hill, where much of the 1992 Olympics took place. Here, you will see the former stadium and the Olympic Rings. Continue to the Plaza de Colon, a square built in honor of Christopher Columbus ("Columbus" is *Colon* in Spanish). Finish your tour in the 14th-century Barrio Gótico, the oldest surviving part of the city and home to the stunning Barcelona Cathedral, built in the Mediterranean Gothic style.

Visit to Parque Guell • You'll also visit Parque Guell, a World Heritage Site designed by Antoni Gaudí. The beautifully landscaped park is decorated with playful Modernist mosaics. Visit the Room of a Hundred Columns, a covered market with 84 pillars, and see the Casa-Museu, where Gaudí lived from 1906 to 1926.

Day 6 Barcelona

Walking tour of Barcelona • Barcelona, known as "La Gran Encisera" (the Great Enchantress) has inspired countless artists—Miró, Picasso and Dalí all lived or studied here at the beginning of their careers. Experience the spirit and romance of Barcelona on our walking tour. Your tour director takes you down Las Ramblas, the tree-lined pedestrian boulevard that W. Somerset Maugham called "the most beautiful street in the world." Wander among the newspaper kiosks, flower and bird stalls, and performers, from human statues to street musicians to fortune tellers. Restaurants, cafés and hotels abound, as do tourists and locals alike.

Optional Flamenco Evening • To better understand the soul of Spain, choose to attend an optional flamenco performance this evening. Born of Indian, Moorish, Arabian and gypsy influences, flamenco dance is a passionate display of complex footwork, dramatic poses and colorful costumes, accompanied by song and guitar. Marvel at the intricate rhythms created by a dancer's steps, castanets (wooden finger cymbals) and clapping. (Please note: A beverage is included in this optional.)

Day 7 Barcelona • Provence

Tour director-led sightseeing of Carcassonne • Relive medieval times as your tour director leads you past the city's age-old ramparts (which slowly turned to ruin after falling to the Crusaders in the 13th century). Carcassonne is also home to Europe's largest and most complete medieval fortress.

Overnight in Provence • Painter Paul Cézanne once said of Provence: "Everywhere are the fragrances of honey, thyme, lavender, all the herbs of the nearby hills." Spend the night in this vibrant land, which also beckoned Pablo Picasso, Jean Cocteau and Vincent van Gogh.

Day 8 Provence • French Riviera

Tour director-led sightseeing of Nîmes • Your tour director will show you the best of Nîmes, the birthplace of denim. Get acquainted with the famous Roman architecture in one of Provence's most important cities. You will have the opportunity to visit an ancient Roman amphitheater, originally built to accommodate thousands of spectators. The arena is still occasionally used for bullfights! (Please note: Depending on hotel location, some groups may visit Arles, whose meandering streets once inspired van Gogh. Arles also has an ancient Roman amphitheater.)

Pont du Gard • See the astonishing Pont du Gard aqueduct. Dating back 2,000 years, it once supplied Roman villas with running water.

Tour director-led sightseeing of Avignon and visit to Palais des Papes • Join your tour director for a tour of Avignon, capital of the Provence region. Pope Clement V, a native of France, moved the seat of the papacy to Avignon in 1309. Stroll through the sprawling Palais des Papes in which he and his six successors resided. View the stunning Italian frescoes in the chapel, step inside the papal vestry, and see the hidden vaults where the church's riches were stored.

Arrival on the French Riviera • Arrive at the spectacular coastline of the glamorous French Riviera, land of sparkling waters, waving palm trees and sun-drenched promenades.

Day 9 French Riviera

Excursion to Monaco • Follow the coastline of the Riviera to Monaco, a tiny principality that packs wealth, royalty and the world's most famous casino into just 0.8 square miles. The Grimaldi family has ruled Monaco since 1297, making them the longest-reigning family dynasty in Europe. See the royal palace and pass by the Cathédrale de Monaco, site of Prince

Pope Clement V and six successive popes resided in the Palais des Papes at Avignon.

Rainier's wedding to Grace Kelly in 1956. The cathedral is also the final resting place of the prince and Princess Grace, who was killed in a car accident in the hills of Monaco in 1982. Catch a glimpse of the stately Monte-Carlo casino as you stroll the streets with your tour director. The casino was built in 1878 by Charles Garnier, who also designed the Paris Opéra.

Visit to Eze • En route to Nice, stop in Eze, a small medieval town perched on a cliff high above the waters of the Mediterranean. Here, you'll enjoy a guided tour of a perfume factory.

Orientation tour of Nice • Acquaint yourself with the palm trees and promenades of this exclusive seaside resort. Walk in the footsteps of the rich and famous as you stroll through the Vieille Ville past whitewashed villas, and down the Promenade des Anglais. Nice's spectacular scenery has inspired such artists as Renoir, Matisse and Toulouse-Lautrec.

Day 10 French Riviera • Florence

Transfer via Pisa • In the city's Field of Miracles, you'll see the six stories of white marble comprising the 12th-century Leaning Tower of Pisa, aslant ever since the third floor was built. This is where Galileo was said to have developed his laws of gravity. Be sure to visit the adjacent marble cathedral and baptistery, which contain exquisite marble pulpits, carved in the Gothic style by Nicola and Giovanni Pisano.

Transfer to Florence • Arrive in Florence, birthplace of the Italian language, the Renaissance and opera.

Day 11 Florence

Guided sightseeing of Florence • Fall under the spell of the powerful Medici family on your guided tour. Pass the classical statues of the Piazza della Signoria, where Michelangelo's *David* originally stood and now the site of an impressive replica. From behind the Uffizi Palace, you will see the Ponte Vecchio, one of the city's only bridges to survive WWII and now one of its most photographed sites. The bridge provided the Medici easy access from the Pitti Palace to the Uffizi. Continue past the Chiesa di Santa Croce, final resting place of Michelangelo, Machiavelli and Galileo. Next, you will visit the Santa Maria del Fiore Cathedral, better known as the Duomo, or dome, that dominates Florence's skyline. The dome was sculptor and architect Brunelleschi's finest work, and the nearby campanile (bell tower) was designed by the painter Giotto. Look for the famous bronzed doors—Ghiberti's

legendary *Gates of Paradise*—at the Baptistery opposite the Duomo. Later, watch artisans at work at a local leather-making demonstration.

Optional excursion to Siena • On this half-day excursion, travel to Siena, located in the heart of Tuscany. A longtime rival of nearby Florence, Siena offers some of Italy's finest art and architecture. Take a guided tour of this enchanting city with a visit to the Duomo, which houses masterpieces by Donatello and Ghiberti, as well as the Piccolomini Library, a small room that features eight ceiling frescoes. Then, walk along medieval streets to St. Dominique's Church and the Piazza del Campo. It is in this piazza that Siena's famed bareback horse race, known as the Palio, takes place each summer. Enjoy free time for lunch before returning to Florence.

Day 12 Florence • Rome

Transfer via Assisi • Stop in Assisi, birthplace of both St. Francis and St. Clare. On your visit to the Basilica of St. Francis, follow the life of one of Italy's most beloved saints through Giotto's artful frescoes.

Arrival in Rome • Arrive in *bella Roma*, the Eternal City. Here, Charlemagne was crowned by the pope in A.D. 800.

Day 13 Rome

Visit to Vatican City • Today, you will explore Vatican City, the world's smallest country. Begin at the Vatican Museum, where elaborate galleries filled with one artistic masterpiece after another lead you directly to the Sistine Chapel. Between 1508 and 1512, Michelangelo painted some of the world's finest pictorial images on the chapel's ceiling. This was his first attempt at working in fresco, which he did by standing up and craning backward from a scaffold. Next, tour St. Peter's Basilica, erected on the site where the saint was martyred. Enter the basilica under the watchful eyes of the brightly dressed Swiss Guard. Inside, admire Michelangelo's *Pietà*, the only sculpture he ever signed.

Guided sightseeing of Rome • Get to know Imperial Rome on a panoramic tour. Then spend time exploring the mighty Colosseum, Rome's largest amphitheater. Its elaborate construction spanned two emperors—building began between A.D. 70 and 72 under Vespasian and was completed in A.D. 80 under Titus. Originally built to accommodate nearly 50,000 spectators, the Colosseum played host to some of the most incredible spectacles of the day, including gladiatorial combat, animal hunts, executions and

even dramatic performances based on classical mythology. Later, pass by the Forum Romanum, once the heart of the Roman Empire.

Walking tour of Rome • As part of your walking tour of Rome, stop at the Trevi Fountain and make sure to toss in a coin to ensure your return to Rome. Then view the Pantheon, one of the best-preserved ancient buildings in the city, commissioned by the Emperor Hadrian around A.D. 120. This temple to "all the gods" features the second-widest dome in Rome. Then, during free time, continue to the Piazza Navona before meeting at the Spanish Steps prior to dinner.

Day 14 Home

Return home • Your tour director assists with the transfer to the airport, where you'll check in for your return flight home.

EXTENSION

Day 14 Rome • Sorrento

Guided sightseeing of Pompeii • Learn how wealthy Romans lived 2,000 years ago on an excursion to Pompeii, one of the richest archaeological sites in the world. When neighboring Mount Vesuvius erupted in A.D. 79, volcanic ash completely buried the Roman resort. Now it is fully excavated, and you can see the ruins of villas, ancient temples and the Stabian Baths.

Arrival in Sorrento • Experience the unparalleled beauty of Italy's favorite resort, overlooking the Bay of Naples.

Day 15 Sorrento • Rome

Guided sightseeing of Capri • Cross the Bay of Naples to the captivating isle of Capri. Travel to the town of Capri and board a cruise to see the most spectacular views of Capri's coast. You'll see the Arco Naturale, a majestic stone arch on the eastern cliffs, and the famous Faraglioni, three enormous, pale-ochre limestone colossi that loom out of the sea. When weather conditions do not permit a cruise, groups will visit the town of Anacapri instead.

Transfer to Rome • Return to Rome, where you'll spend the night.

Day 16 Home

Return home • Your tour director assists with the transfer to the airport, where you'll check in for your return flight home.

Educational Value of EF's Paris and Mediterranean Europe Tour:

The aim of this tour is to supplement in class learning by exposing students to the global classroom.

History is the study of the collective human experience. This tour allows students to explore firsthand the responses of individuals and governments to social, economic and political changes. It is about encouraging and enriching a student's desire to understand the people, events and challenges that have influenced the past and present and that, will, in turn shape the future. This knowledge is even more important at a time when the forces of globalization are drawing people of different cultures closer together.

Just as an understanding of major events and issues in world history helps people understand society and enhances classroom studies, the most enriching way to learn about the unique characteristics of world languages and religion is to experience them first hand. Travel is an opportunity to discover new cultures and countries and languages- a firsthand look at the world brings a fresh perspective to learning. In addition, immersing yourself in a foreign country promotes an extensive development of foreign language skills.

Further Expectations of the Tour:

While further building student's understanding of provincial curriculum expectations, EF also wants to ensure that students are acquiring new skills. By taking students out of their comfort zone and introducing them to the informal learning environment of an educational tour, we hope to work with teachers to enable young people to learn valuable lessons that they might not learn in the classroom. It also allows teachers to guide their student's learning in a direction that may not be possible in the classroom and appeal to various learning styles including visual, auditory and kinesthetic.

The opportunity to explore new places and cultures with peers and educators allows students to discover the world and themselves. On a tour young people will learn by doing, seeing and hearing. They will also learn from their peers and be introduced to unique opportunities for future learning- all contributing to the idea of creating lifelong learners.

PRESENTED FOR: Information Approval

PRESENTED BY: Senior Administration

SUBMITTED BY: Paul A. Picard, Director of Education
 Mario latonna, Executive Superintendent of Business

SUBJECT: TENDER APPROVAL – WINDOW REPLACEMENT FOR ST. JULES CATHOLIC ELEMENTARY SCHOOL

RECOMMENDATION:

That the Board approve the award of tender and the issuance of a purchase order contract for the window replacement at St. Jules Catholic Elementary School to Alliance General Contracting of Windsor Inc. at the submitted bid amount of \$100,821.00 plus applicable taxes to be funded from the Good Places to Learn Stage 3 (GPL3) account 081-76-580852-6-000-0.

SYNOPSIS:

At its meeting of April 27, 2010, the Board approved a budget of \$125,000 for replacement of windows on the east side of St. Jules Catholic Elementary School. The project was approved to be funded from the Good Places to Learn (Stage 3) allocation. A tender was called accordingly for window replacement for St. Jules Catholic Elementary School.

This report is submitted to the Board with the results of the tender and a recommendation for the issuance of a purchase order contract.

BACKGROUND COMMENTS:

A tender opening was held at the Catholic Education Centre on February 4, 2011 with Shannon Ficon, Debbie Maurice, Gerry Racine, Paulette Littlejohns, Greg McLean and representatives from all six construction companies in attendance. No other individuals attended the opening.

A total of six (6) bids from six (6) invited bidders were received. These bids are summarized as follows:

| NO. | TENDERER | BID AMOUNT (excl. taxes) |
|-----|-----------------------------------------------------------------------------------------------|-----------------------------|
| 1. | Alliance General Contracting of Windsor Inc. 2785 Kew Drive, Unit 1 Windsor, ON N8T 3B7 | \$100,821.00 |
| 2. | Gulf Developments Inc. 8908 County Road 42 Maidstone, ON N0R 1K0 | \$130,407.43 |
| 3. | Front Construction Industries Inc. 740 Morton Drive, Unit 1 Windsor, ON N9J 3V2 | \$140,140.00 |
| 4. | Vince Ferro Construction Ltd. 3244 Walker Road, Suite 200 Windsor, ON N8W 3R8 | \$143,447.00 |
| 5. | DeAngelis Construction Inc. 5138 County Road 46, RR#3 Maidstone, ON N0R 1K0 | \$149,000.00 |
| 6. | Trillium Contracting Inc. 2488 McDougall, Unit 4 Windsor, ON N8X 3N7 | \$155,292.00 |

The bid submissions were reviewed and the following is noted:

- a) DeAngelis Construction Inc. failed to submit the proper bonding documentation as required in the tender specifications. Since DeAngelis Construction Inc. was not the low bidder this did not have an impact on the outcome of the tender award.

The low bidder meeting specifications is Alliance General Contracting of Windsor Inc. with a bid amount of \$100,821.00 excluding taxes.

FINANCIAL IMPACT:

A total budget of \$125,000 was approved by the Board on April 27, 2010 for this project. The costs will be funded from Good Places to Learn Stage 3 (GPL3) allocation in account 081-76-580852-6-000-0.

TIMELINES:

As stated in the tender bid form, substantial performance of the work is to be completed by August 25, 2011.
