BOARD REPORT

Public **In-Camera**
PRESENTED FOR: Information Approval
PRESENTED BY: Senior Administration
SUBMITTED BY: Paul Picard, Director of Education
 Jamie Bumbacco, Executive Superintendent of Human Resources
SUBJECT: **ENROLMENT/STAFFING SCHOOL ORGANIZATION INFORMATION
 OF ELEMENTARY/SECONDARY SCHOOLS – SEPTEMBER, 2014**

RECOMMENDATION:

That the Board receive the report *Enrolment/Staffing School Organization Information of our Elementary/Secondary Schools – September 2014* as information.

SYNOPSIS:

In cooperation with the Business Department, our school principals and the Human Resources Department, we staff our schools in accordance with Ministry Regulations and the relevant collective agreements.

BACKGROUND COMMENTS:

Enrolment projections and accurate staffing are two key functions of the Human Resources Department. The following variables are taken into account in the determination of the staffing compliment assigned to our schools:

- Ministry Guidelines regulating class size, pupil-teacher ratios and divisional average
- Collective Agreements
- Special Education program delivery
- Individual school pressures and needs

FINANCIAL IMPACT:

The table on the following page compares the September 30, 2014 enrolment as presented in this report to the enrolment contained in the original 2014-15 Budget Estimates.

Pupils of the Board			
	2014-15 Budget Estimates (FTE + ADE)	September 30, 2014 (FTE*)	Increase/ (Decrease) (FTE*)
Elementary Day School Pupils	13,043.00	13,300.00	257.00
Secondary Day School Pupils – Under 21 years**	7,139.46	7,417.00	277.54
Total	20,182.46	20,717.00	534.54

* FTE = Full-Time Equivalent

** Includes High-credit < 21yrs

Note the enrolment contained in the 2014-15 Budget Estimates and presented above is an Average Daily Enrolment or ADE, which is 50% of the October 31st and March 31st enrolments that were projected at the time of 2014-15 budget development. The September 30th 2014 enrolment is not a projected ADE, but simply the enrolment at that one point in time.

As can be seen from the table, the enrolment as at September 30, 2014 is 534.54 FTE pupils greater than that used in the development of the 2014-15 Budget Estimates. Given that approximately 2/3 of education funding is based on enrolment, the additional enrolment will generate incremental grant revenues, the exact amount of which will be determined when the Board prepares its 2014-15 Revised Budget Estimates in December 2014.

Goals of Focus on Youth Program:

- Assisted not-for-profit insured groups to deliver summer activities that kept young people safe and active

Samples of poems by students in French literature were shared. Discussion regarding French Franco-sol is a benefit to attract students to the Board. Perhaps this is valid for future sites.
- **St. Joseph's** – Reported on the contest entries regarding the dangers of gambling. It was reported that one of their students is a representative on the Minister's Advisory Council. The Daffodil award went well. It was reported that the LDA sent a person to train the students and they would also like the French version for our schools. The principal reported they held a UV Skin Clinic for students and parents with the purpose of promoting a tan-free prom.
- **St. Mary** – The school held "WE Day", where one student was featured as a guest speaker. It was reported that the school won a rotary award. They had a video made that features highlights of the school throughout the year, including fundraisers, visitors and special events. There are 23 JK and 22 SK students registered for the upcoming school year.
- **Villanova** – Reported that there are 32 grade 9 students for September 2014. They reported they produced a video highlighting the Poutine Dinner. Another video showcased oral communication involving real life scenarios. There was discussion initiated by the Principal regarding struggling students in the F/I program at the school, with no resources in place to assist them. It was suggested that the Board consider supports for F/I students.

- **Queen of Peace** – The school had flowers and soil donated from a local greenhouse and senior and junior students worked together to plant flowers to be distributed to the seniors around the community. They created a video that highlighted art and culture.

Budget Proposal and Strategic Initiatives for 2014/2015

**To Increase membership in Parent Involvement Committee
To Increase attendance at events, both Parent and Network**

Ministry Funding Formula:

\$5000.00 Base + \$0.17/ student enrolled

Anticipated 2014/2015 enrollment = 20152

Ministry Funding Expectation = approx. \$8400.00 for 2014/2015

Amount carried from Previous Years, Approx \$12000.00

Available funds for 2014/2015 School Year = \$20400.00

Proposed Expenses for Strategic Initiatives:

Parent Council Commissioning Ceremony \$5000.00

Donation to Teacher's PA Day – \$1200.00

Scholarship Night – \$500

Post-Secondary Evening -\$500

Transition to Secondary Event - \$500

Parent Network Evenings (2) – \$1000.00

Additional Advertising Expenses for PRO Grant Events – \$1000

Subscription to Parent Resources - \$2000.00

Total Estimated Expenses for 2014/2015 School Year = \$11,700.00

At this rate of spending, it would take approximately 3-4 years to deplete our ministry allocated funds accumulated to date. This is assuming a drop in enrolment of 1000 students annually over that time period.

Subject: Honoraria for District School Board Members

Further to Minister Sandals' letter to trustees on September 23, 2014, I am writing to provide you with information about amendments to O. Reg. 357/06 – *Honoraria for Board Members*. As you know, restrictions on increases to trustee honoraria have been in place since March 2010.

The amending regulation (O. Reg. 190/14), which was filed on September 23, 2014, establishes the base amount limit of honoraria that the board may pay for the 2014-18 term of office at \$5,900. It also changes the calculation of future increases to the base amount limit which depends on the Ontario Consumer Price Index. These changes are discussed in greater detail below.

As boards are required to set their honoraria policy by October 15, I will take this opportunity to review the allowable payments under each component of honoraria for the 2014-2018 term of office.

Base amount

The board may set an amount that does not exceed \$5,900 for a trustee for each year of the term of office. To this amount, the board may add up to \$5,000 for the chair and up to \$2,500 for the vice-chair.

For clarity, adjustments to the base amount limit for future terms will be limited to the increase in the Ontario Consumer Price Index from the previous term of office.

-2-

Enrolment amount

The enrolment amount limit is recalculated annually. The limit for each year of office is tied to the estimate of the board's day school average daily enrolment (ADE) for the previous year. For example, the 2014-15 enrolment amount would be based on the board's day school estimate for the 2013-14 school year that was reported in June 2013. The formula for calculating the enrolment amount limit is found in section 6 of O. Reg. 357/06.

Attendance amount

The board may pay up to \$50 for attendance at a meeting of a committee of the board that is *required to be established by an act or regulation*. Boards may not pay an attendance amount for attending other meetings. There are currently four committees that require membership of one or more trustees under the *Education Act*: Audit Committee, Parent Involvement Committee, Supervised Alternative Learning Committee and Special Education Advisory Committee.

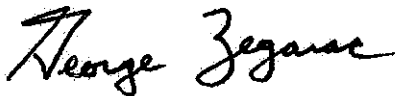

Distance amount

For boards and trustees who meet the criteria in section 8 (2) of O. Reg. 357/06, there is a limit of \$50 that may be paid for attending a meeting of the board or of a committee of the board that is required to be established by an act or regulation. The board must have a board area greater than 9,000 km² or a dispersal factor greater than 25 as set out in O. Reg. 412/00. The board member must reside more than 200 km from the meeting location and the member can only receive the distance amount once in respect of any single day.

The amending regulation is attached and the revised version of O. Reg. 357/06 will be available shortly on the E-Laws website: www.e-laws.gov.on.ca.

Should you have any questions regarding the changes to O. Reg. 357/06, please contact Bruce Drewett at 416-325-1079 or Bruce.Drewett@ontario.ca

George Zegarac

SUBJECT: ANNUAL HONORARIA REVIEW

RECOMMENDATION:

That approval be given to establish honoraria for Board Members for the period from December 1, 2014 to November 30, 2015 in the amounts of \$9,919.48 for Trustees, \$12,936.27 for Vice-Chair and \$15,953.06 for Chair; AND

That the Board approve maintaining the annual honorarium for the Board Chaplain at the current level of \$3,500.

SYNOPSIS:

To review the annual honorarium for the Board Chaplain, and establish honoraria for trustee board members to take effect on December 1, 2014 through November 30, 2015.

BACKGROUND COMMENTS:

Trustee Honorarium

Trustee honoraria are established annually in accordance with the *Education Act* and Ontario Regulation 357/06 *Honoraria for Board Members* and Board Policy T:06 Honoraria for Trustees. The next four-year term of office for the Board of Trustees runs from December 1, 2014 to November 30, 2018.

During the 2010-14 term of office, the *Public Sector Compensation Restraint to Protect Public Services Act, 2010*, and amendments to Ontario Regulation 357/06 - *Honoraria for Board Members*, established restrictions on increases to trustee honorarium. In September 2014, O. Reg. 357/06 was further amended to restrain the base amount limit of trustee honoraria for the 2014-18 term of office (Appendix "A"). The amended regulation, which was filed on September 23, 2014, establishes the base amount limit of honoraria that a board may pay for the 2014-18 term of office at \$5,900. It also changes the calculation of

future increases to the base amount limit which depends on the Ontario Consumer Price Index.

Ontario Regulation 357/06, as amended, sets out the process by which Boards determine the maximum honoraria its members can receive and outlines the various components of trustee remuneration.

Calculations for the first year of the 2014-18 term of office, commencing December 1, 2014 and ending November 30, 2015, are as follows:

Component	Trustee	Vice-Chair	Chair
Base Amount	\$5,900.00	\$5,900.00	\$5,900.00
Ontario CPI Increase Amount	0	0	0
Base Amount Additions	0.00	2,500.00	5,000.00
Enrolment Amount	4,019.48	4,019.48	4,019.48
Enrolment Amount Additions	0.00	516.79	1,033.58
Totals	\$9,919.48	\$12,936.27	\$15,953.06

There are four components to the Trustee Honoraria as follows:

1. Base Amount:

This component represents an annual base amount that does not exceed \$5,900 for each year of the term of office from December 1, 2014 to November 30, 2018 for all trustees.

Ontario Consumer Price Index (CPI) Increase Amount:

Adjustments to the base amount limit for future terms of office will be limited to the increase in the Ontario Consumer Price Index from the previous term of office.

Base Amount Additions:

An additional annual amount of \$2,500 for the Vice-Chair and \$5,000 for the Chair for each year of the term of office is provided.

2. Enrolment Amount:

The enrolment amount limit is recalculated annually. The WECDSB has elected, through its Policy T:06 Honoraria for Trustees, to implement this component of the honoraria at 100%. The maximum limit is tied to the estimate of the board's day school average daily enrolment (ADE) for the previous year. For example, the 2014-15 enrolment amount would be based on the board's day school estimate for the 2013-14 school year that was reported in June 2013. The 2013-14 estimated ADE was 20,671.63 FTE pupils of the Board. When multiplied by \$1.75 and divided by 9 trustees, this yields an enrolment amount of \$4,019.48 for each trustee.

Enrolment Amount Additions (Chair and Vice-Chair):

An additional annual amount for the Vice-Chair calculated for each year of the term of office is determined by taking the estimated ADE and multiplying it by \$0.025. As noted above, the 2013-14 estimated ADE was 20,671.63 FTE pupils of the Board. When multiplied by \$0.025, this yields an amount of \$516.79 for the Vice-Chair.

An additional annual amount for the Chair is calculated for each year of the term of office by taking the estimated ADE and multiplying it by \$0.05 yielding an amount of \$1,033.58 for the Chair.

3. Attendance Amount:

A board may pay up to \$50 for attendance at a meeting of a committee of the board that is *required to be established by an act or regulation*. Boards may not pay an attendance amount for attending other meetings. There are currently four committees that require membership of one or more trustees under the *Education Act*: Audit Committee, Parent Involvement Committee, Supervised Alternate Learning Committee and Special Education Advisory Committee. The WECDSB has elected, through its Policy T:06 Honoraria for Trustees, not to implement this component of the honoraria.

4. Distance Amount:

The Board does not qualify for a distance amount. The distance amount is only applicable in a Board with an area of jurisdiction greater than 9,000 square kilometres and to a trustee whose residence is more than 200 kilometres from the place where the Board meeting is held.

Student Trustee Honorarium

In accordance with Ontario Regulation 7/07 *Student Trustees* and Board Policy T:01 Student Trustees, the honoraria for student trustees is set at \$2,500.00 per term, which current term extends from August 1, 2014 to July 31, 2015.

Board Chaplain Honorarium

At the November 22, 2011 Board Meeting, the Board of Trustees approved maintaining the annual honorarium for the Board Chaplain at the current level of \$3,500. Historical levels of Board Chaplain Honorarium are provided below:

<u>Effective Date</u>	<u>Annual Honorarium</u>
November 9, 2010	\$3,500
September 1, 2007	\$3,000
Pre September 2007	\$2,600

The honorarium for Board Trustees has been declining in recent years consistent with the decline in enrolment and provincial restraint measures. Also, the \$2,500 annual honorarium for Student Trustees has remained fixed in recent years under Ministry regulation. Given these two factors, it is being recommended that no adjustment be made to the Board Chaplain honorarium at this time.

FINANCIAL IMPACT:

The above calculated honoraria for the period of December 1, 2014 to November 30, 2015 are as follows: \$9,919.48 for Trustees, \$12,936.27 for Vice-Chair and \$15,953.06 for Chair. The total trustee honoraria calculated for the September 1, 2014 to August 31, 2015 fiscal year equals \$99,167.02, which, when added to the \$2,500 provided to each of two student trustees, yields a total of \$104,167.02. The 2014-15 budget for trustee honorarium was established at \$106,691, and as such, the proposed total trustee honorarium amount is within the limits of the 2014-15 Board approved Budget Estimates.

The amount contained in the 2014-15 Budget Estimates for the Board Chaplain honorarium is \$3,500.00. Therefore, sufficient funds exist to fund an honorarium at this level.

TIMELINES:

The annual trustee honoraria amounts apply for the December 1, 2014 to November 30, 2015 year. Honoraria for the 2015-16 year will be established prior to October 15, 2015.

Dear chairs,

We value and appreciate the essential role that school board trustees play in helping every student reach their full potential. Our publicly funded education system is among the best in the world, thanks to people like you who energize our schools, inspire our educators, and serve our communities.

As you know, our overarching goal is to improve student achievement and well-being, while ensuring long-term financial sustainability. We are in a challenging fiscal time, and our government is committed to balancing the budget by 2017-18. In our climate of continued financial restraint, we are asking everyone to do their part to address Ontario's economic challenges.

As such, I am amending Ontario Regulation 357/06 to restrain the base amount limit of trustee honoraria at \$5,900 per year for the 2014-18 term of office. This is necessary until we achieve our goal of eliminating the province's deficit.

Having been a trustee myself, I understand and appreciate the work you do each and every day, the difficult decisions you have to make, and the considerable time you commit to this role. You provide an important voice in your community, and you help to build confidence in our education system through your focus and commitment to student achievement and well-being. I thank you again for serving Ontario's students. Your passion, hard work and dedication are key to a brighter future for all Ontarians.

Sincerely,

SUBJECT: TENDER APPROVAL – SNOW REMOVAL SERVICES

RECOMMENDATION:

That approval be given to the award of tender and the issuance of three purchase order contracts for Snow Removal Services to Landscape Effects Group, Quality Turf, and Creative Homescapes for a two year term beginning with the 2014-15 snow season through the 2015-16 snow season, with an option for a third, fourth, fifth and sixth year upon Board approval as a charge to Snow Removal account 000-40-430032-6-000.

SYNOPSIS:

This report is submitted to the Board with the results of the tender for Snow Removal Services and a recommendation for the issuance of multiple purchase order contracts.

BACKGROUND COMMENTS:

The Board in collaboration with the Greater Essex County District School Board (GECDSB) issued a Request for Supplier Qualifications (RFSQ) for Snow Removal Services. Interested proponents were required to submit a complete package as instructed in the RFSQ documents, in order to be considered to receive a Request for Tender package. A total of nine (9) Proponents responded. Out of those nine (9) Proponents, five (5) received a Request for Tender package based on the Evaluation Committee's scoring. A collaborative Tender was called for Snow Removal Services for a two year term beginning with the 2014-15 snow season through the 2015-16 snow season, with a Board approved option for a third, fourth, fifth and sixth year.

A tender opening was held at the GECDSB Administration offices, 451 Park Street, Windsor, Ontario on October 23, 2014 with Rick Oliver, Purchasing and Payroll Manager, Ben Soulliere, Supervisor of Operation Services and representatives from GECDSB, Landscape Effects Group, Creative Homescapes, Bellaire Landscape Inc., and Quality Turf Ltd. in attendance. No other individuals attended the opening.

A total of four (4) bids from five (5) invited bidders were received. The tender bids summarized in the attached Appendix A have been listed in alphabetical order and do not include any applicable taxes.

Based on the results, it is being recommended that purchase order contracts be awarded to Landscape Effects Group, Quality Turf, and Creative Homescapes for the two year term beginning November 2014.

FINANCIAL IMPACT:

The costs for the Snow Removal Services will be funded from School Operations & Maintenance – Snow Removal account. The 2014-15 budget for snow removal services is set at \$259,605. As actual costs incurred depend upon uncontrollable weather conditions, projected costs are difficult to predict and material variances could occur. If additional amounts are required to fund this expense, the amounts will come from reductions in other Facilities Services operating accounts. By way of comparison, actual costs for snow removal in recent winter seasons were \$409,661 for 2013-14, \$243,969 for 2012-13, \$82,864 for 2011-12, \$609,418 for 2010-11, and \$246,302 for 2009-10.

The bid price for a complete snow event, including snow removal and ice control for both parking lots and sidewalks, for each of the Board designated areas is noted below, along with the recommended proponent. The 2011-12 bid price which was extended through the 2012-13 and the 2013-14 seasons for each area has been provided for comparison purposes only.

Area	2011-12 Bid Price (excluding taxes)	2014-15 Bid Price (excluding taxes)	2014-15 Proponent

11	\$2,617.25	\$5,200.00	Landscape Effects Group
Cost per Snow Event:	<u>\$24,473.00</u>	<u>\$38,715.00</u>	

Notes:

1. Landscape Effects Group, Quality Turf, Creative Homescapes agreed to extend the contract with the same terms and pricing for a third, fourth, fifth and sixth year.
2. The 2011-12 Bid Price reflects the price for the noted area, but not necessarily for the noted proponent.

TIMELINES:

All Proponents will be contacted immediately following Board approval. The award will extend for 2 years beginning November 2014 and ending in the 2015-16 season. The term of the contract also allows for an option for a third, fourth, fifth and sixth year upon Board approval.
